During these recent months you have received the love and support of a living faith community that has accompanied you on an inner journey. You have questioned and searched. You have looked within. You have come to know your heart in a new way.

You, as well as others, experience a difference. You listen more. You are more reflective. You can name what grace and God's love looks like. God continues to beckon you to a deepening.

We invite you to come together with others who are on the same journey. The journey has just begun!

*Join us on this Retreat for lunch, reflection & community  
as we continue to prepare for our lifelong discipleship*
